

EAST CAPE CABLING – COMPANY PROFILE

East Cape Cabling, a trust company which was established in 1997 in Port Elizabeth South Africa by Mr. Leon Greeff as a company with a focus primarily specializing in Voice Communication cabling systems. Not too long after the establishment, the company very quickly expanded its focus to wider variety of products and services to meet the needs of the community.

To date, after more than 10 years the company is well known in the industry as one of the leaders in the Telecommunications industry providing exceptional quality of service throughout its product and services range to its clients in both the Private and Public sectors.

Areas of activities include:

- Computer networking – Cat 5, Cat 6 & optic fiber cabling
- Voice networking – indoor & outdoor telephone wiring/cabling
- Intercom systems
- CCTV systems
- PABX systems – Telephone exchange systems
